

ADPICO

ABU DHABI METAL PIPES &amp; PROFILES INDUSTRIES COMPLEX

## MILL TEST CERTIFICATE

Code: FO - QC - 10

Revision: 03

MTC NO : 714752

Date : 19-Jul-11

## Sales Information:

Dispatch Request No.:	Date:
11180-1	16-Mar-11
Customer's Ref. No.:	Date:
PI-10052	---

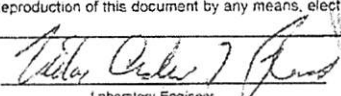

## Material Specifications &amp; Testings:

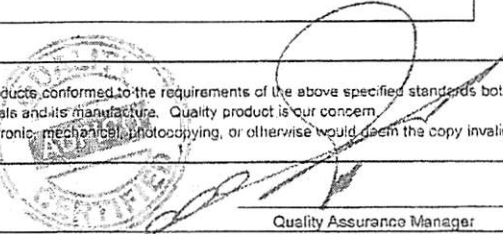

Parameters	Tests & Specifications
Material Type	MS BLACK
Steel Grade	ST 37-2
Heat Number / Ticket No.	952388
Mechanical Properties	
Yield Point (psi x 1000)	37.43
Tensile Strength (psi x 1000)	60.21
Elongation (%)	41
Gauge Length (mm)	50
Chemical Composition	
Carbon (%)	0.073
Manganese (%)	0.395
Phosphorous (%)	0.007
Sulfur (%)	0.004
Copper (%)	0.0047
Nickel (%)	0.029
Chromium (%)	0.0012
Molybdenum (%)	0.0013
Vanadium (%)	0.0013

## Material Specifications &amp; Testings:

Parameters	Tests and Specifications
Bundle Numbers / Slit No.	11081000071-090
Type	MS GALVANIZED
Description	Round Tubes - "MADE IN U.A.E."
Standard	ASTM A 53 Gr. B / 2007
Sizes	4" x 21ft Sch 40
Quantity	20 bncls / 200 pcs
Dimensional Test	PASSED
Flattening Test	PASSED
Bending Test	N/A
Hydro Pressure Test	PASSED
Eddy Current Test	PASSED

We, herewith confirm that the above mentioned products conformed to the requirements of the above specified standards both from the order of raw materials and its manufacture. Quality product is our concern. Reproduction of this document by any means, electronic, mechanical, photocopying, or otherwise would deem the copy invalid.
